6. Bursary Funding Eligibility Criteria

6.1 This policy covers the financial support funds which are available to eligible students. Students who apply for any of the funds will be assessed individually and awarded support based on their financial need. Please note:

- Bursaries are subject to available funds and eligibility does not guarantee entitlement to funds.
- 16-19 Bursary payments are subject to a minimum attendance in College of 80% and their behaviour must meet the College's code of conduct in line with College Policies and Procedures. (There may be exceptional circumstances where this attendance level cannot be achieved, the college reserves the right to continue to support the learner following investigations with the tutor and student).
- Bursary awards only cover one academic year and students must re-apply for support on an annual basis.

- 6.2 To be eligible for funding from any of the Bursary Funds, all students must satisfy the following criteria. Additional specific eligibility requirements apply to each fund as listed within the Bursary Funds Section (7) below:
- Residency criteria as set out by the [ESFA funding regulations](#).
 - Have a gross annual household income of less than £37,500 per year for bursary and childcare support – excluding Care to Learn. The College may choose to use its discretion where household income exceeds this amount but it is identified that support is needed.
 - Able to demonstrate ‘relative financial need’ for costs that may deter them joining, continuing or completing their course.
 - Minimum attendance of 80% (exceptional circumstances may be considered).
- 6.3 Students must also be on a course that is subject to inspection by a public body (e.g. Ofsted) and must also be:
- Funded directly by the ESFA or by the ESFA via a local authority
 - Otherwise publicly funded and lead to a qualification (up to and including level 3) accredited by Ofqual or on the [ESFA list of qualifications](#) approved for funding 14 to 19
 - On a 16-19 traineeship programme
 - Non-employed students aged 16 to 19 participating in a Prince’s Trust Team Programme.
 - Regulated by the Office for Students (OfS) on a higher education programme
- 6.4 The College reserves the right to apply discretion to ensure that individual students’ needs and personal circumstances are considered when decisions are made, in line with ESFA guidance.
- 6.5 The following students are not eligible to receive any financial assistance from the ESFA or OfS Bursary Funds:
- An individual on an apprenticeship programme, or any waged training as they are employed, rather than in education (excluding care leavers) or;
 - Receiving help with travel/childcare costs through Job Centre Plus or Work Programme provider;
 - Not eligible for funding (as determined by ESFA);
 - Self-funded or employer-funded.
- 6.6 Students not eligible for support via the ESFA or OfS Bursary Funds can where there is an exceptional need apply for support from the College’s own Student Benefit Fund. Support maybe provided dependent on financial need and subject to available funds.

7. Types of Bursary Funds

The bursary fund types and additional eligibility criteria are detailed below.

7.1 ESFA 16-19 Bursary Fund

Additional Eligibility Criteria:

- Aged 16 or over but under 19 at 31st August 2024, or;
- Aged 19 or over and continuing on a study programme they began aged 16 to 18 (19+ continuer), or;
- Aged 19 or over with an Education, Health and Care Plan (EHCP)

Course Eligibility criteria (See Section 6.3).

Support Available:

- Discretionary bursaries to meet individual needs e.g., help with the cost of travel (excluding Taxis), books, equipment, specialist clothing, replacement of first lost ID badge, free meals (inc. fruit and breakfast), support for costs relating to participating in work placement, trips & visits that are a compulsory part of the student's curriculum (not extra-curricular), UCAS, attending university interviews and open days.
- The College may award free meals to those who are not eligible through ESFA Free College Meals on a discretionary basis where it has been identified that there is a financial need.

Young people with caring responsibilities experience a range of difficulties and disadvantages which can potentially affect full-time study. Identified young carers will meet with the Safeguarding Officer to determine any financial need and additional awards may be supported for travel, trips that are a compulsory part of the curriculum and other course related costs in consultation with the Safeguarding and Prevent Manager and Central Services Manager or the Head of Finance. Awards must be in line with the ESFA guidance.

7.2 ESFA 16-19 Bursary for Vulnerable Groups

Additional Eligibility Criteria:

- Aged 16 or over but under 19 at 31 August 2024; and
- In care: or
- Care leavers; or
- receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves and / or financially supporting someone who is dependent on them and living with them such as a child or partner; or:
- receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right as well as Employment and Support Allowance (ESA) or Universal Credit (UC) in their own right.

Definition of 'In Care' and 'Care Leaver':

- 'In care' is defined as 'Children looked after by a local authority on a voluntary basis (section 20 of the Children Act 1989) or under a care order (section 31 of the Children Act 1989) - Section 22 of the Children Act 1989 defines the term 'looked after child.'
- A 'care leaver' is defined as:
 - a young person aged 16 and 17 who was previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16; or
 - a young person aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16.

Support Available:

- Up to £1,200 per year (for courses that last for 30 weeks or more. Pro rata amounts payable for courses less than 30 weeks); based on an assessment of their actual needs.

In exceptional circumstances and where it is assessed that the student may need extra help to remain in education, further bursary funding can be allocated from the ESFA 16-19 Bursary Fund. This will be at the discretion of the Safeguarding and Prevent Manager and either the Head of Finance or the Central Services Manager.

The amount of Bursary received will be determined on a case-by-case basis and the grant award will be based on the individual's actual financial needs as well as good attendance, punctuality, behaviour and progress.

Students will meet with the Safeguarding and Prevent team to determine how the Bursary will be distributed (e.g. via equipment awards, travel passes, weekly awards). Details of the award will be recorded at the meeting.

Please note applications for this bursary are assessed on an individual basis and there is a possibility of no award or a limited award if financial needs are covered from other sources.

Unaccompanied Asylum-Seeking Children

Unaccompanied asylum-seeking children are eligible for a bursary for Vulnerable groups ('in care' group), where they have a financial need. When these young people reach legal adulthood at age 18, the College will consider their immigration status and if the asylum claim is decided in their favour, they continue to be eligible for a bursary as a student from a vulnerable group until they reach the upper age limit.

Where an asylum claim is not supported, the individual may not be able to stay legally in the UK. When asylum claims have been fully heard/the appeals process exhausted, an individual has no entitlement to public funds (with a few exceptions where the withdrawal of support would be seen as a breach of human rights).

Foster Care

A young person placed with a foster carer by the local authority, including where the foster carer is registered with an independent fostering agency, is classed as 'looked after'. These students meet the criteria for the 'in care' vulnerable group where they need financial support to participate.

A child who is privately fostered (a private arrangement is made between the parent and the person who will care for the child) is not classed as a looked after the child and is not eligible for the bursary for vulnerable groups.

In some instances, a young person may have been in the care of the local authority and the care transferred to another party via a permanent form of fostering such as Special Guardianship Order. In these circumstances, the young person is defined as having left care so is now a 'care leaver'. They must meet the definition of a 'care leaver' to be eligible for support from the bursary for the vulnerable groups, where they need financial support to participate.

Evidence of the above must be provided and retained to support an application; this must be a signed email or letter confirmation from a local authority appointed Personal Advisor confirming that the apprentice is a care leaver.

The apprentice (if aged 19-24) must give consent for their employer to be informed that they have been in the care of the local authority, and understand that this declaration will be used to generate additional payments for both the Employer and the Training Provider (College) to support transition into work.
